# 20

Twenty years of  
integrity, quality  
and service

**StoneRox** is a provider of high-quality stone veneer that's designed for both residential and commercial properties making building and renovating simple and affordable. Choose from our beautiful products that are lightweight, durable, easy to install, and able to create distinctive, individual features, inside or outside.

## A PROUD CANADIAN COMPANY

- Versatile and functional
- Stones are 5/8" to 1 1/2" thick and can be installed over any sound surface
- Perfect for new construction and renovations
- Can be used as interior or exterior applications
- Lightweight, installer friendly and fire resistant
- Virtually maintenance free
- Can also be combined with brick, wood or stucco
- Distinct styles are produced in various textures
- Available in a full array of blended natural colours
- Meets the needs of the Canadian Market

# Natural Stone

StoneRox offers 6 styles of thin natural stone panels that range from vintage rustic to modern elegance. Any look you are going for we will be able to make your project replicate your vision.
